Sizzling summer sunshine brings sweet smell of success

It has been a phenomenal summer for us so far.

We have been very busy with take-away food, cold drinks and ice creams.

Deliveries from our suppliers have been many, with a big shout out to Waterdene who have kept our ice creams and drinks well stocked especially when the big freezers in the supermarkets break down in the heat.

We have also increased our gift selection which we always try to theme appropriately to the season. Keep an eye on Instagram or Facebook where we post photos of any new arrivals.

Everyone has been enjoying the lovely cool air-conditioned environment of the shop, taking the opportunity to sit and catch up with friends in an even temperature!

A lot of people have been popping in to shop to avoid getting into a hot car!

It is always lovely to see so many young families calling in, for day trip goodies, treats to take to the park or baking ingredients to make a cake.

We have also seen a large increase in builders working locally who have all discovered how affordable our bacon/sausage baps are. Whilst we have been informing them that we take telephone orders for collection they have been very keen to sit and chat for five minutes in the cool.

All of our customers throughout July and August have made for a very buzzing

and jolly atmosphere in the shop; we thank you all for your custom and look forward to welcoming you in the autumn.
