

# Wilstone Community Shop

Run by the community, for the community

We aim to serve the Community by: Tel: 01442-891167

- Keeping prices fair
- Offering a wide range of goods and services
- Stocking home-made and local produce
- Being a place where people like to shop and volunteers like to work

## What's New

Have you had a chance to browse through our new range of cards? Due to their popularity, we have expanded our stock and don't forget we also sell stamps. The new display unit is much more practical than the old one and allows for easier browsing.

We also have a range of new items from Suma (see picture opposite) which is proving very popular, particularly the mushroom pate bombe which can be found in the deli.

The Wilstone Woolies took advantage of the brief break in trading in July to boost their stocks of gorgeous soft toys. With Christmas getting ever closer, please buy early as once they're gone, they're gone!

We also have a vegan bouja bouja icecream

## Thank you

With all the people I needed to thank in the last issue of Village News, it was almost inevitable that I would leave someone out. So apologies! I would like to mention Emily and Paul of **Thomas and Spiers Architects**. They were very helpful with the layout and all the design details and ensured that we complied with fire regulations and building control—not an easy job! Also thanks to Chris Mann who helped recycle some scrap metal and Tony Lubran who very kindly took a load to the tip for us.

How cute!

Lastly...

We could still do with some more volunteers through the week and weekend, either to fill in a regular slot or to be available to work the gaps when other volunteers are away.

If you have a few hours to spare, we would love to hear from you. Please contact Ali our shop manager or Diana our Chair during shop hours on the number above.
