We aim to serve the Community by:

Tel: 01442-891167

- Keeping prices fair
- Offering a wide range of goods and services
- Stocking home-made and local produce
- Being a place where people like to shop and volunteers like to work

Get your orders in!

We've all heard the scare stories in the media about Christmas supply issues, but you can make sure you get your Christmas meat by ordering it from us! Our order forms are already printed and ready to go—just ask at the counter. All the usual meats are available except goose.

I'll talk more about our Christmas stock in the next issue, but we already have some beautiful cards in stock if you want to get very organised and Jane Shirley will this year be designing the shop card which should be ready to purchase by the end of November.

All vegan!

Artist Space

We have put up some new shelving in the café area of the shop where local artists can display their work. One painting sold within a week! We will also soon be putting up new shelves so that we can once again put out the second-hand books. Everything is starting to come together—do come in and have a look.

Certainly brightens up the place

Lastly...

We could still do with some more volunteers, in particular we have regular gaps to fill on a Monday and a Friday.

If you have a few hours to spare, we would love to hear from you. Please contact Ali our shop manager or Diana our Chair during shop hours on the number above.

More new stock

As we have more space in our new shop, we can accommodate more stock lines and are currently experimenting with new items to see what our customers want.

We have a French cassoulet pie which is both gluten free and vegan, as well as an olive pate and a caramelised red onion chutney. Cocoa and Hazelnut butter, almond butter, new teas, veggie burger mix and Belvoir cordials.

In the deli we are trying out some new cheeses; a smoked cheese, feta and halloumi. We also have some vegan offerings in the deli, some vegan cheeses, the ever popular mushroom pate and a vegan pesto. Let us know what you think and also if there's anything else you would like us to stock.
