Mother's Day, Easter Day, every day – we have it covered

Whether it's hand-made gifts and cuddly toys or an endless choice of Easter eggs and other chocolates, your community shop caters for all those holiday celebrations as well as stocking those everyday items that you've forgotten you needed. Be sure to come along and stock up for those well-earned breaks.

Shop frontage update

We're nearly there! Pictured here you can see Abby Fermont's mum and dad putting the finishing touches to the new railings that have been expertly designed and installed by Abby's dad. All that remains is for the epoxy resin surface to be laid and we will have completely finished the refurbishment of the shop that started three years ago. And when you consider this was all done through the covid pandemic lockdowns and other restrictions it's a remarkable achievement by all those involved.
